

**WELLINGTON ELEMENTARY PTA  
HELPING HANDS SERVICE CLUB 2017 – 2018**

**“SHARE A RECESS, SHARE A SMILE”—JOIN OUR KINDNESS CAMPAIGN!  
First Friday of Each Month in the Gym During Lunch Recess**

Our mission is to provide opportunities for Wellington students to become more conscious of the needs of others and to serve our community in positive ways. Simply put, we hope to care for and share with those in need in our local community. We will meet the first Friday of each month during lunch recess in the gym. The club is open to all Wellington students K-5 and is sponsored by the PTA so there is no cost to participants. Students may attend month to month, however, permission forms are required as they help us with our records and communication needs. Parents also are invited and needed to help us on project days. We will have a Helping Hands collection bin for donations by the school office and will collect new and gently used stuffed animals, books, toys and trinkets throughout the year. We will also collect clothing donations for Threads and Treads, our local clothing bank for Northshore students. Why join?

- Do fun projects with friends
- Connect with the community
- Learn about other people
- Make a difference in someone’s life
- Earn community service hours
- Donate items to help others in need
