Pack your bags and hop in the car with Smart with Art as we hit the open road exploring regions of the U.S. in Art!

We will drive down to the Grand Canyon to explore chalk pastels, then we will swing by some wacky roadside attractions that will be sure to pop off the page. Rock out with us when we drive through Nashville, home of America's country music and create a musically inspired marker collage, and watch out for snapping alligators in the everglades, when we create painted relief sculptures on canvas.

There is so much to create and explore around the U.S.A. with markers, watercolors, paint, collage, oil pastels, chalk, sculpture and more! Don't miss out on this creative journey from coast to coast! Join us this Fall to expand your artistic skills as we road Trip around the USA! And, as always, Dress for Mess!
